A. R. posts. More serious exercises at Manhattan were held in the afternoon at Riverside park under the shadow of Grant's tomb. There the G. A. R. ritual was performed and speeches were made by Gov. Roosevelt and others.

At Beston.-Gen. Joseph Wheeler addressed the Grand Army men at the Boston theater. He was lustily cheered by the immense audience.

### Six Squares Burn.

Marion, Ind., May 31.-The striking of a match by a spectator near an oil well three miles east of Marion last evening caused the oil surrounding the well to ignite and the flames instantly spread for several squares.

Six men who were on the tank into which the oil was pouring, were terrialy burned. They are: Thomas Mc-Donald of Bluffton, owner of the well; 1. S. Gordon of Montpelier, foreman of the Indiana Pipe Line company; Samuel Pelacy of Lima, an oil producer; Mack Watts of Lima, O., a producer; Albert G. Ford of Kokomo, traveling for the Daniel Stewart Drug company, and Fred Lose of Philadelphia, a silk merchant.

pital in Marion, where they are being miral Cromwell's launch and escorted treated. One hundred barrels of oil by a detachment of marines to the ace of justice were opened at 11 sued on the 28th instant rescinded the were in the tank at the time.

Queen regent of Spain has signed the decree appointing Marshal Campos president of the Spanish senate.

Immense leebergs are reported drifting in the north Atlantic occan.

Washington, May 31,-The two following dispatches were received at the war department yesterds and give the try. As is customary, the day was a details of Capt. Tilley's death on the

Tilley's Donth.

"Hollo, May \$1 .- Adjutant General, Washington: ' Capt. George H. ### Peace Conference.

The Hague. May 31.—The Brusrels conference section of the international peace congress after adopting the sceand reading of articles 23 to 24, which deal with prisoners of war, discussed questions relating to flags of truce, Capitulation and armistices.

Het Vaderlond has printed the text of the Russian proposals regarding mediation and arbitration.

Part 1 deals with the desirability of seeking a solution of international disputes by the mediation of friendly powers, and sets forth that such good offices, whether sought or proffered, shall bear strictly the character of friendly counsel and in no way of compulsory force.

Part 2 deals with international arbitration, which it declares "the most efficacious and equitable means of getting at questions regarding the international application of treaties.

### At Hayana.

Havana, May 31.—Decoration day was observed here in a notable manner. At 9 o'clock yesterday morning Mrs. E. G. Rathbone and a committee of women who had been selected for The injured were brought to the hos- the purpose were taken into Rear Adthey strung the skeletor of the unforwreathes of flowers.
